

## Mangusta Solid State Disk

### Specifications:

|                              |                          |
|------------------------------|--------------------------|
| Capacity:                    | 60 GB                    |
| Read up to:                  | 285 MB/s                 |
| Write up to:                 | 275 MB/s                 |
| 4k Random Read:              | up to 30,000IOPS         |
| 4K Random Write (Aligned):   | 11,000IOPS               |
| Interface internal/external: | SATA II (3Gb/s)          |
| NAND Type:                   | MLC                      |
| Controller:                  | SandForce SF-1222        |
| Shock Tolerance:             | 1500G                    |
| Format:                      | 2.5"                     |
| MTBF:                        | 2.000.000 Hours          |
| Temp. Range:                 | 0-70°C ambient           |
| Support:                     | TRIM,S.M.A.R.T, LBA, NCQ |
| Warranty:                    | 2 years limited          |
| EID Mangusta ES0060S         |                          |
| EAN Code:                    | 4260100428333            |
